Oggetto: 8th Annual International Zebrafish Husbandry Course (1st - 4th October 2019)

Dear all,

I really hope this e-mail finds you well.

It is with great pleasure we would like to announce the dates for the next coming **8th Annual International Zebrafish Husbandry Course**, which will be held in Italy from the **1st till the 4th of October 2019**.

Here attached you can find:

- The dedicated flyer which includes the main topics which will be discussed and the related cost info.
- The electrical signature which could be included in your e-mails

I do remind everyone that the course fee includes everything (talks and related material, internal transports, lodging, all meals/coffee breaks and social activities) but the flight (transport) to reach Italy (Buguggiate).

As for the previous editions, we would like to keep the available seats limited in number, establishing an intimate environment able to foster important relationships and interactions. Given the established importance of this event in the International zebrafish community, we did already received few participation requests.

Please, **distribute and promote this course as much as possible** and do not hesitate to get back to us in case you will have any comment or question.

Wishing you a lovely day,

with all my best regards
