

SAVE THE DATE

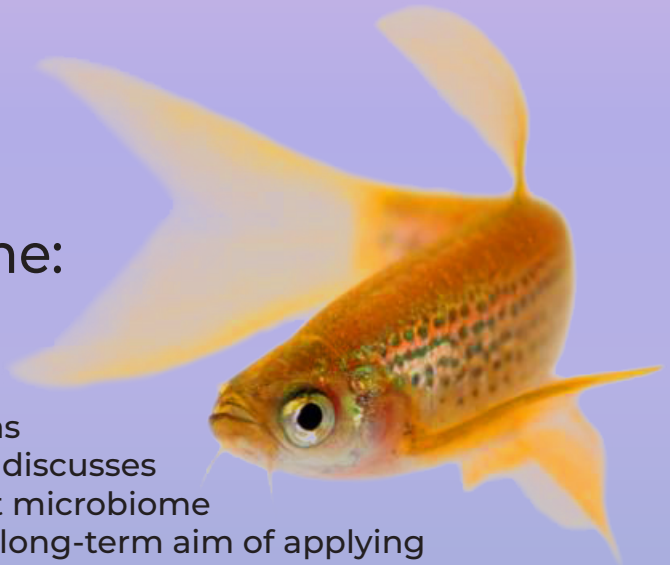

19th annual Zebrafish Husbandry Workshop!

New Orleans, Louisiana

Friday, February 24 • Saturday, February 25

Speaker: Dr. Thomas
Sharpton

Topic: The Gut Microbiome:
Fishing for Answers

Join us for our Keynote Speaker Dr. Thomas Sharpton of Oregon State University as he discusses his research uncovering the role of the gut microbiome in health, ecology, and evolution, with the long-term aim of applying this knowledge to develop disease diagnostics and therapeutics.

Also on the agenda:

- Fish Disease
- Diet
- Density
- Basic Husbandry
- Future Directions
- Community Forum

Register today at <https://www.was.org/meeting/code/AA2023>

We look forward to seeing you there!
